

## Campership Program Eligibility Guidelines

SJ Riding Camp is the perfect choice for girls, ages 8 - 16, who love horses. It is a place for girls to gain self-confidence, friends, and new experiences through that common love of horses.

In order to qualify for a campership at SJ:

1. The camper, and/or her parents, must complete a letter or work of art that tells us why camp is important to her. It should also include evidence or examples of how the camper:

- Expresses curiosity
- Demonstrates integrity
- Shows respect for themselves and others
- Is involved in school and extracurricular activities
- Demonstrates a love of animals
- Uses resources wisely
- Is interested in accepting broader responsibilities
- Is committed to being a positive contributing group member
- Shows interest in participating fully

2. The family is in need of assistance to send their daughter to camp and has completed the required forms.

3. The family is invested in their daughter's camp experience.

4. Employees of SJ, donors to the program, ACA board members or officers, or family members of any of the foregoing persons are not eligible campership applicants.

The amount given toward the participation of any campership camper shall not exceed the amount of tuition minus the amount the family is able to pay.

**Limited funds available.**

**Additional support is available through mutually approved payment plans.**
