

Campership Program Guidelines

SJ Riding Camp strives to make camp available to all campers, regardless of means or family situations. It is our belief that everyone may find themselves in need of assistance, financial or otherwise, at some point in their lives.

Aside from income, we look at any and all contributing need factors such as the number of children in the household, family member illness, family members in college, loss of employment, current military active duty, etc.

The \$150/week (for resident or day) camp deposit and the camp registration form are due with the Campership Application. The deposit is subtracted from any partial campership and the balance is due by April 15, unless other arrangements are agreed upon by both parties. The full deposit will be returned if assistance is unavailable for any reason.

In addition to the deposit, we ask that every family attempt to contribute a portion of the camp tuition. We understand that the amount any family is able to contribute will change from year to year. Applications must be made each year for the upcoming summer.

Decisions are made by a Campership Committee. Campership applications are accepted on a first come/first reviewed basis and reviewed at the end of each month. Camperships are awarded based on space availability, family need, and availability of funds for the program. Families will be notified via email of Committee decisions.

SJ Campership Program Instructions:

1. Camper Registration form must be completed and mailed to camp with a deposit check of \$150/week.
2. Campership Application form must be completed and mailed to the camp. Please include any and all factors affecting the family's needs.
3. Camper and/or a parent or guardian submits a letter or work of art that tells us why camp is important to them.
4. Camp will notify applicants of awards at the end of each month.
5. Tuition balance, if any, is paid by the family via mailed check by April 15.
6. Camper sends a "Thank you" note to the camp after attending, which will be shared with donors.
